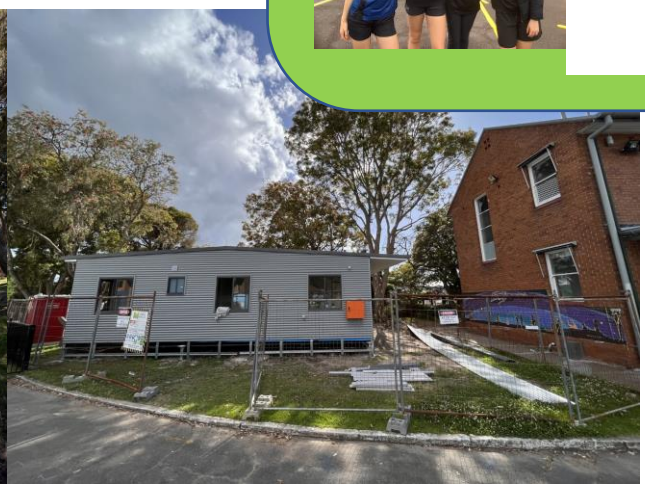
19th-20th December

OOSH HAS GOT TALENT

Today was the day we have all been waiting for- OOSH HAS GOT TALENT!
So many amazing acts and some that even included our OOSH Educators.
The children in the audience clapped and cheered for their peers, acknowledging their talent and their bravery for performing in front of us all.
We also had a really special performance from Declan and Cameron that had everyone up on their feet! It was a wonderful morning!

YEAR 6 PROGRAM

The Year 6 Program is well under way with Nadine from Know Your Purpose facilitating the program. The children are gaining confidence discussing their transition to high school, exploring problem solving, individuality and teamwork.

BUILDING UPDATE


Our new OOSH building has landed!
