

ENROLMENT, RE-ENROLMENT AND ORIENTATION POLICY

(Required regulation)

Policy Statement

New Lambton District OOSH (NLDOOSH) accepts enrolments from primary school aged children from New Lambton South Public and New Lambton Public schools.

NLDOOSH will provide an efficient enrolment and orientation process that is clear and understandable to all in the local community and does not discriminate against any families needing care. In accordance with the Childcare provider handbook, there are no mandatory requirements for filling vacancies and services are able to set policies for prioritising who receives a place.

Enrolment and re-enrolment processes will ensure that current and complete information on each child attending the centre is obtained in order to provide the best possible care for our children and to meet regulatory requirements. All personal enrolment information is treated as private and confidential.

Where possible our families will be oriented to our centre in order to introduce our educators, provide essential information, allow families to familiarise themselves with our facilities and to support the child's transition to our care, encouraging them to develop a sense of belonging, acceptance and comfort in our community.
