Our Program

National Reconciliation Week was celebrated across Australia this week. Reconciliation is an ongoing journey and one that NLDOOSH are proud to be a part of. We are so lucky to have a strong indigenous culture in Australia. Valuing and understanding the past and the richness of Australia's First Peoples can go a long way towards a unified and reconciled Australia.

Wednesday Cooking Club with Elise

This term OOSH has had a lot of involvement and enjoyment in our Wednesday afternoon cooking classes. The classes aim to directly involve children in hands-on food experiences. We have focused on a range of basic kitchen skills including: hygiene, nutrition, co-ordination, fine motor skills, and patience. Most importantly the children are really enjoying the process, some have even decided they want to be chefs now! This early involvement in food preparation can foster a lifelong love of cooking and nutrition as well as an appreciation for the benefits of good food hygiene. Some stand out favorite recipes have been the Curry Puffs, Lamingtons and Mini Muffin Pizzas. The classes will continue throughout the term and then switch to a different day in term 3. Come see me in the kitchen if you want any of the recipes.
