Re-enrolment Process 2020

Re-enrolment for 2021 for all of our current families and their siblings will be commencing mid-morning on Monday the 17th August.

To Re-enrol your child, follow the steps below:

1. Go to <https://hubhello.com/> in the parent portal to confirm your enrolment details are still current and correct. Update information if necessary.

*****VERY IMPORTANT***** Please only make additions/changes to Emergency Contacts on the Parent Profile/My World page.

IF YOU ARE NOT ADDING A SIBLING PLEASE GO TO STEP 3

2. To add a sibling

Please click on the below link for the site in which your child will be attending. Please ensure you use the correct link for your site, ie- for New Lambton South Public students and New Lambton Public students use the New Lambton South link. For New Lambton Heights Public students use the Heights link.

Click on "ENROL" and complete your child's details (**Do not** click on "Login" –you can not add a new child from the log in button.)

The Heights site to enrol- <https://newlambtonooshheights.hubworks.com.au/>

New Lambton South site to enrol- <https://newlambtonooshbasc.hubworks.com.au/>

* Please note:

To add second parent details, please click on "2nd parent- Yes" after completing Parent 1 details.

In the "Emergency Contacts and Authorisations" section, please click on "add person" to enter more contacts after you have completed details for the first contact person.

Do not add any bank details, as we don't use an automatic deduction facility.

3. Go to NLDOOSH website <https://newlambtondistrictoosh.com/re-enrolment/> and click on "Re-Enrol for 2021" to complete a Re-Enrolment form.

Go to the Parent Profile.

Click on icon above your child's name at the top-left hand of page – **you are now in the Child Profile**

Select "MY HEALTH" – make any necessary changes on this page

Program News

Hockey Clinic

Next Fri 21st August, Kate Jenner will be coming in our afternoon session time to do an introduction to hockey. Kate is a current Hockeyroo and NSW Pride player. She will run the children through the basics of hockey and do some small drills. We are hoping to have Kate return on a semi regular basis as the year goes on to continue working with those children who are interested in the sport. Parents do not need to supply any equipment as everything will be provided on the day.

National Science Week- Curious Cubs
