STAFF NEWS

Our long serving bookkeeper Jacqui has commenced her retirement!

We would like to thank Jacqui for her professionalism and commitment over the past 18 years that she has worked at NLDOOSH.

Jacqui has been such an asset to our team. Her high standards of work, flexibility, calmness, and concrete procedures has ensured the seamless operation of our service. We wish her and her husband all the best for their retirement!

Jacqui's role will be filled by Fiona and Hannah.

We farewelled Ayla, Harold, Erika, Cooper and Milly and wish them well in new ventures.

Maddy has joined our team as a Qualified Permanent educator.

We have had Cameron, Paige and Leah join our team as casuals while they complete their studies at university.

2021 PROGRAMMING

We are very excited this year to be introducing a new way of planning, observing, and documenting our daily experiences and sharing them with you all!

How does it work? Every day, for every session, we have areas at OOSH that are planned and programmed for, and areas that are free play areas (e.g. Hall, Turf field). For both mornings and afternoons, we will reflect on both programmed and

free play areas at OOSH and share photos and an observation summary of the learning outcomes for that session.

Who will it be sent to? To all children that attended that session.

How do I access these observation summaries? Through your Hubhello account is how you would access this- you will be sent an email with a link if your child attended that session, and you will be asked to log on. If you do not know your log on details, try looking back in your emails at enrolment time- under "Hubhello". The first time you log on, you will have been given a random password- we advise you change this to your own straight away. If you are unable to find your information, please advise us this week and we can re-send you your Log-in to reset. We also recommend downloading the Hubhello app or opening the observations on a P.C or laptop for best results.

Do I need to respond? No. You have no obligation to- we just want to share with you what happened at OOSH and sharing, and documenting is part of our requirements as a OOSH service...that being said, WE LOVE FEEDBACK!! We love to hear from our families always and encourage you to share your thoughts about our experiences, suggest new ones and share information on interests and strengths of your children so we can incorporate these into our program.

ENTRY/EXIT COVID19 REMINDERS

- As per NSW Government regulations, every person who enters the grounds MUST check in/out using the QR code - (The code is attached to each gate and a copy is at the Sign In/Out desk).

While we understand this may cause some inconvenience, we ask that you assist us by complying with this request & also understand that you may be asked by our staff or NLS South School staff to provide proof of check in/out.

Thank you for your co-operation in this matter.

Please remember to treat our staff with the courtesy and respect that you would expect to be treated with.

- Enter through **Gate 1 only**: All other gates will be locked, and we please ask that you use this gate for the health and safety of all at OOSH. Please do not use the carpark gate.

Please respect social distancing rules within the playground and with our educators.

Once you have your child, ask them to get their bags and **promptly leave the playground** via Gate 1.

Please do not congregate in any parts of the school grounds.

If your child is not outside, please stop at our signs and ask an educator to check for your child, adhering to social distancing.
