## Covid Procedures Update

We are excited about having all children return to OOSH this week ! It is so nice to see so many smiling faces.

As you are aware, we are a large OOSH consisting of 200 children per session across two schools.

We have reviewed our COVID safe plan with children returning this week, and have now adjusted our operational procedures. This will mean that New Lambton Public and New Lambton South children will play on separate sides of the school.

This eliminates significant exposure risks and will result in less disruption should we encounter a positive case at our service.

Your drop offs, pick up and signing in and out will occur at **Gate 1** on St James Road. Admin staff will be there to assist you and we ask that you continue to check in using the QR code, wear a mask and utilise the hand sanitiser supplied before using the iPad.
