## KINDERGARTEN PROGRAM 2023

Watching our little kindy friends settle into to school and OOSH life has been awesome. They have been confident, creative, happy, easy going and AMAZING! There were a lot of interesting and fun experiences for everyone to enjoy which also allowed children to develop beautiful friendships. We have loved every minute of it. From Kate, Megs, Danni and Carly

## COOKING CLUB

Alison is running a cooking club out of the canteen on a Friday afternoon with the intention of introducing the children to different cooking techniques and a variety of foods. This is a wonderful activity that promotes fine motor skills, mathematical concepts, nutrition and social confidence.

# OOSH AREAS FOR 2023

## SENIOR ROOM

Our Senior Room (or Senior Hub as they like to call it) is for Year 5 & 6 children only. This room gives our preteen children a space to socialise and experience leadership and responsibility, enjoyment, and lifelong learning.

## CHILL OUT ZONE (COZ)

This area is for children to participate in quiet activities like reading, jigsaw puzzles and approved laptop use.

## HALL/TERRACE

The hall area is used for play experiences that focus on construction, building, imaginative and dramatic play. We utilise the terrace area outside of the hall for programmed activities which may include art/craft/science or recreational experiences.

## GREEN ROOM

The Green Room is set up for dramatic/imaginative play, loose parts play, reading and relaxation. The children also have access to recyclable resources that can be used for craft experiences.

## OOSH HUB

Inside the OOSH Hub is our administration space, First Aid area and Sign in/out devices. This space will also be used for rest and relaxation for the children once approved by ACECQA.
