

OOSH Entry

Thank you to parents and guardians for transitioning to use the ramp for entry and exit from the OOSH building. We are striving to create a calm and quiet area for the children to relax. Keeping the sign-in/out and first aid area together reduces the busyness in the room to help us achieve this. We are hopeful that our new OOSH Gate will arrive and be installed soon!

Pen Pal Program

On Wednesday Danni and Anne delivered Easter Goodie bags to our ongoing Pen Pal friends at Red Cross Aged Care, Lambton. These packages included a variety of edible and handmade treats, all made by the children at NLDOOSH over the past 4 weeks. We wish our intergenerational friends at Red Cross a happy and loved Easter!
