

Effective 1st January, 2024

This centre is an approved childcare centre and is therefore able to offer Child Care Subsidy. Fees listed below are fees calculated **without** Child Care Subsidy i.e., the maximum amount payable by families. Child Care Subsidy application can be made through your myGov account. You must provide us with your parent and child customer reference numbers to access Child Care Subsidy. Child Care Subsidy is only applicable to childcare fees. It does not apply to registration fees, breakfasts or late fees and is not paid for any sessions your child is absent after your child reaches 42 absent sessions in a financial year.

****Please note- The Child Care Subsidy System will not pay subsidy for any absent session at the very beginning or the very end of the child's enrolment. If your child is absent for any session(s) at the beginning or end of their enrolment, child care subsidy will be reclaimed from your account and full fees will apply. An updated invoice will be emailed to you.*****
